

## SYNOPSIS

A tale of love across the galaxies. Young Buzz Leapyear's desire to be a Space Ranger has been thwarted. Flash Jordan seems to have it all, a Space Ranger of hero status and The Princess Lilo on his arm.

Captain Berk and his second in command Smock, have a problem. Evil Barf Raider has escaped from prison and is heading for Planet X. Buzz finds himself accidentally on The Starship Economise when it sets off to help Flash recapture Barf.

The evil Barf mind melts Flash into turning to the dark side and plans to take over the Earth and Princess Lilo!

Buzz comes to the rescue with simple, effective, repellent measures. He at last gets his wish to become A Space Ranger. As for his mother; well she takes Barth in hand!

## SING ALONG SONG

Let's do the time warp again

Let's do the time warp again

It's a jump to the left &

Then a step to the right

Put your hands on your hips

And bring your knees in tight

But it's the pelvic thrust

That really drives you insane

Let's do the time warp again

Let's do the time warp again
