## Message from Inspector Selvarajah

This month members of the safer neighbourhood team, patrol teams and special constabulary have been working hard in tackling criminality. We have been working with our partners with an ongoing serious crime investigation.

A man responsible for a carjacking in Bressingham from 2017 was also located, arrested and charged. South Norfolk officers successfully arrested, charged and remanded two men following the series of village hall and social club burglaries across Norfolk and Suffolk. This includes the Tacolneston village hall, Carleton Rode village hall and Shottford Bowls Club, Harleston, which was targeted twice. Our rural beat manager and drone pilot has been carrying out pro-active patrols of hare coursers who target our area.

## What is happening in your area

### Message from your Beat Manager Pc Richards

Motorcycle seen riding through Harleston. It had no valid insurance so it was seized from the rider and he was given a traffic offence report. Extensive patrols of Gawdy Hall have been conducted after complaints of nuisance motorcycle usage. The riders have not been there recently so enquiries are to continue. Lots of engagement with the Archbishop Sancroft High School due to some issues with pupils. This has had a positive outcome on those pupils and the situation has improved. A male who had been drinking in Harleston was arrested for drink driving and having no insurance, he was charged with both offences and will be in court this month. Another male was arrested by myself for failing to appear, he has now been put in front of the court. Lots of work to assist my colleague around Diss in relation to current issues at the Mere Park, as a result of this 7 persons have been stopped, detained and searched. One male had a quantity of cannabis on him, he was interviewed and given an adult caution. The issues raised by local residents remain the same although calls for service from members of the public are very low at this time.
