Message from Inspector Symonds

I am excited to be appointed as your new Local Policing Inspector for Diss, Harleston and Long Stratton. I have joined a fantastically proactive team, previously led by Insp Selvarajah and can only thank them for what they have already achieved for the area. My previous role was as a Control Room Inspector but I look forward to getting to know the local community here and any concerns you may have going forwards.

I have been in role for a few weeks and so far the team have been very busy. Thank you to the people that live, work and visit Diss for your patience whilst we closed Church Street in the town centre for two days. This was under sad circumstances, however it was good to meet so many local people whilst we completed reassurance patrols around the area.

I will be out in the community with my team in the next month trying to get to know you and many of our partners, if you see me please say hello. You can follow me and the team on Twitter - @SouthNorfPolice

What is happening in your area

Message from your Beat Manager Pc Richards

In the last month I have arrested a female in Harleston town centre for being wanted on recall to prison. She was imprisoned for 4 months. I have assisted with licensing checks in the pubs in and around Harleston. I have dealt with two separate assaults that took place in Harleston by way of community resolution. Most recently I have been conducting enquiries in to some criminal damage that has occurred at Scole Community Centre. Several suspects have been identified and will be dealt with in due course.
